TO WHOM IT MAY CONCERN

This is to certify that **Mr. VISHWA S** from Chennai Institute of Technology, Chennai, has successfully completed his internship in the Department of Mechanical Engineering at the Indian Institute of Technology Tirupati during the period **24th April- 30th June 2025**.

He worked on a project focused on real-time orientation estimation for a multicopter to enable precise landing on a dynamically orienting platform. His responsibilities included camera calibration, attitude estimation of moving objects, and validating the estimated orientation using robotic positioning platforms. In addition, during his internship, he contributed to the development of custom algorithms for attitude estimation.

Mr. VISHWA S has demonstrated a strong understanding of the subject matter and has shown dedication and enthusiasm throughout the internship period. I wish him all the best for his future endeavours.
